

**ISLAMIC UNIVERSITY OF SCIENCE & TECHNOLOGY
AWANTIPORA, KASHMIR**

OFFICE OF THE CONTROLLER OF EXAMINATIONS

CONTROLLER OF EXAMINATIONS

Objectives/Goals set to realize vision and mission

- The department of Examinations in consultation with the university authorities will prepare guidelines on NEP-2020 recommendations on assessment and evaluation to align with the NEP2020.
- To initiate and implement Examination and Assessment reforms in light of the NEP 2020 by capacity building of functionaries in assessment to align with the reforms.
- To make attempts to shift from content based assessment to competency based assessment.
- To provide the basic guidelines to the university to align with NTA (national testing agency) for CUET (Common university entrance examination) in the near future.
- To take regular feedback from evaluation and assessment experts, teachers and students on how to improve the quality of examinations and assessment.
