

Islamic University Of Science & Technology Awantipora

Date Sheet of Polytechnic Diploma Programme for Civil, Electrical & Mechanical Engineering

2nd,4th,5th and 6th Semester (Regular / backlog/Supplementary)

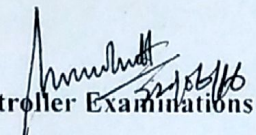

Date ↓	II nd Semester	IV th Semester			VI th Semester		
	All Branches	Civil Engg.	Electrical Engg.	Mechanical Engg.	Civil Engg.	Electrical Engg.	Mechanical Engg.
Timing >	1.30 Pm	10.00 am			10.00 am		
11.07.2016	Applied Physics- II	---	---	---	Steel Structure Design	Programmable Logic Controllers and Microcontrollers	Refrigeration and Air Conditioning
12.07.2016		Structural Mechanics	Electrical Machines – I	Thermodynamics-II	---	---	---
14.07.2016	Communication Skills - II	---	---	---	Repair & Maintenance of Buildings	Modern Electric Traction	CNC Machines and Automation
15.07.2016		Irrigation Engineering	Electrical Measuring Instruments and Instrumentation	Metrology and Quality Control	---	---	---
18.07.2016	Applied Mathematics - II	---	---	---	Quantity Surveying & Valuation	Electrical Power – II	Machine Design
19.07.2016		Water Supply and Waste Water Engineering	Electronics –II	Strength of Materials	---	---	---
20.07.2016	Applied Chemistry - II	---	---	---	Earthquake Resistant Building Construction	Utilization of Electrical Energy	Automobile Engineering
21.07.2016		Concrete Technology	Estimating and Costing in Electrical Engineering	Workshop Technology – II	---	---	---
22.07.2016	Engineering Drawing- II (Civil Engineering)	---	---	---	Construction Management & Accounts	Basics of Management	Basics of Management
25.07.2016	Engineering Drawing- II (Electrical Engineering)	Surveying - II	Generic Skills and Entrepreneurship Development	Generic Skills and Entrepreneurship Development	---	---	---
26.07.2016	Engineering Drawing- II (Mechanical Engineering)	---	---	---	Structural Drawing	---	---
27.07.2016	---	Civil Engineering Drawing-II	---	Mechanical Engineering Drawing II	---	---	---

I/C Controller Examinations

Islamic University of science & Technology Awantipora

Date Sheet of Diploma in Polytechnic Programme for Civil, Electrical & Mechanical Engineering courses
5th semester (Backlog/ Supplementary)

Date ↓	BRANCH		
	Civil Engg.	Electrical Engg.	Mechanical Engg.
Timing →	10.00 Am		
27.06.2016	R.C.C.Design	Electrical Machines – II	Theory of Machines
28.06.2016	Generic Skills & EDM	Electrical Power-I	Production Management
29.06.2016	Soil & Foundation Engineering	Digital Electronics and Microprocessors	Hydraulics and Hydraulic Machines
30.06.2016	Highway Engineering	Industrial Electronics and Control of Drives	Manufacturing Technology
04.07.2016	Railways, Bridges & Tunnels	Energy Management	---
05.07.2016	---	Instrumentation	---

I/C Controller Examinations
