INTERNSHIP OPPORTUNITY AT DESIGN INNOVATION CENTRE

Design Innovation Centre, IUST invites applications from recent graduates/ post-graduates for a two-month long internship opportunity in Product Design and Innovation. Successful applicants would get a chance of working:

- On their own creative ideas.
- On existing projects being carried out at DIC@IUST in the areas of Haptics/Embedded Systems/Machine Learning.

Selected students will get full funding/facilitation in terms of human and material resources available at DIC@IUST.

Who Can Apply?

- Students who have graduated /post-graduated in 2019 from Science and Technology programs.
- Engineering pass outs 2019 batch who wish to work further on their final year projects are also eligible.

Remuneration Details:

- A project grant of upto Rs. 25,000/- to cover project related expenses and a stipend of Rs. 7,500/- per month per student is covered under this scheme.

Application Process and Information:

- Interested candidates must submit applications directed to the Coordinator, DIC@IUST duly supported by the following documents:
 1. Provisional Degree Certificate.
 2. Updated Curriculum Vitae.
 3. Project proposal centred on product design and innovation.
(Format of the project proposal is available on www.dic-iust.webnode.com & www.islamicuniversity.edu.in)
- The application and necessary documents must reach the office of the Coordinator, Design Innovation Centre, Second Floor, Academic Block IV, IUST.
- Project proposals along with necessary documents can also be emailed to: dic@islamicuniversity.edu.in. However, hardcopy of the application along with the above-mentioned documents must also be submitted at the time of project presentation/interview.
- Candidates will be shortlisted for interview based on the viability of their project proposal and its relevance to the theme of design and innovation.

Important Dates:

- Last date for submission of applications and project proposals: 16-08-2019
- Project Proposal Presentation/Interview: 21-08-2019.
- Start of Internship Program: 26-08-2019.
