Notice

It is for the information of all the concerned students and faculty members of Department of Civil Engineering that the midterm and end term examination for the session autumn 2020 will be held as per the following guidelines as issued by the Dean SOET.

1. The Midterm examination will be descriptive type comprising of 30 Marks of 1 hour duration.
2. Question paper will be sent by the faculty in charge via mail/google class room and at the end of the stipulated time, 10 minutes will be provided for preparing the pdf file and mailing the answers to the faculty in charge by the students.
3. The end term exam will be conducted in two parts; Descriptive part of 30 marks and Viva component of 20 marks.
4. In the descriptive component Students shall have a choice of answering 2 questions out of 4 questions in each subject. The time allotted for the descriptive component is 1 hour and 10 minutes extra will be provided for the preparation of the pdf file.
5. In each descriptive question paper for the end term examination, there would be 4 questions from 5 units, covering one question per unit, which means they may not choose a unit for setting up a question. There should not be an overlap of questions from different units. A question cannot have different parts from different units.

Apart from the above, the faculty may also keep the following in consideration

6. During Viva Voce, it is recommended to take the choice of units from the students, from which questions would be asked.
7. A student is expected to prepare at least 3 units out of 5 for both descriptive test and Viva Voce, to enable him to score maximum marks.
8. Needless to reiterate that, as per past practice, students should be made comfortable and at ease during their assessment process, considering the burden of present situation, which may be overweighting on their minds.
