

Department of Computer Science & Engineering

NOTICE

Final year Students of the Department of Computer Science & and Engineering whose projects synopsis were preliminarily accepted for the Presentation, are hereby notified that the Synopsis Defence Presentation which was scheduled on Tuesday, 12 April 2016 is being prephoned by one day. Now the same will be held on 10:15 am Monday, 11 April 2016. However, there shall be no change in the Venue.

Those students whose Project Proposals had been rejected, are directed to file a new project synopsis by or before 10:30 am, Monday 11 April 2016. Initial Screening of the new submitted proposals shall be done by 1:00 pm; and those students whose proposals are accepted in this precursory will be allowed to defend their submissions in the Synopsis Defence Presentation on Monday itself.

N/P: No submissions will be entertained after this, However if the proposal if any student's proposal stands rejected either during or before the presentation phase, he/ she shall be allowed to make a new submission latter.
