NOTICE

It is for the information of all the students of B.Tech 8th Semester of Department of Electronics and Communication Engineering that their final project viva voce is going to be held on 28th of July, 2015 in **new Electronics and Communication Engineering building** at 9:15 am sharp, as per the group sequence attached herewith. Further, the submission date for the hard copy of the project report will be one day prior to the date of examination i.e. 27th of July, 2015.

Er. Zahid G. Khaki
Coordinator Examination
ECE Department

Group No.	Roll Nos.	Title of the project	Name of the Supervisor/Co-supervisor
1	38,70,50	Automatic Solar Tracker	Er. Zahid Khaki
2	60,08,75,25	Ultrasonic based flying object and Missile detection System	Dr. Asifa Baba
3	67,43,12,09	Bluetooth Andriod Automation	Er. Shaiqa Nasreen
4	37,51,56,36	A Novel Technique to design Digitally Tunable Multi filter System	Dr. Feroze Ahmad
5	45,55	Automatic Water Level Controller	Er. Irtiqa
6	13,65,05	GSM based Home Automation	Er. Shabir Ahmad
7	39,10,74,46	Wireless based Flood Warning and Monitoring System	Er. Irtiqa
8	06,34,73,21	Transmission of Analog Signal with Frequency Hopping Amplitude Modulation	Dr. Feroze Ahmad
9	40,30,69, 18	Automatic Power Grid Control using PC	Er. Shaiqa Nasreen
10	68,11,49,64	SMS based Dc motor Speed and Direction Control	Er. Zahoor Ahmad
11	15,16,31,72	Wearable Electronic Peizo-electric Shoes	Dr. Feroze Ahmad
12	35,04,20,14	Voice Recognition Smart Home Automation using ZigBee	Er. Shaiqa
13	17,32,63	Using TV Remote as a Cordless mouse for PC	Er. Shaiqa Nasreen
14	41,22	Arduino based Pursuit Robot with MATLAB as functional tool for Image Processing	Dr. Asifa Baba
15	24,33,48,80	Alive Human Detecting Robot for Earthquake Rescue operation	Dr. Asifa Baba
16	28,71,59,57	CNG/LPG Gas Accident Prevention using GSM Alert	Er. Shaiqa Nasreen
17	53,61,62,42	Rain Sensing Automatic Car Wiper	Er. Shaiqa Nasreen
18	68,11,49,64	SMS Based DC motor Speed Controlling using PWM and Direction Controller with password protection	Er. Zahoor Ahmad
19	26,03	Smart Low Cost Home/Office 1000VA AC Power backup System Based on Regulating PWM	Dr. Feroze Ahmad
20	45,55	Vehicle Accident Prevention	Er. Irtiqa
21	1,19,66,02	Isolated Word Kashmiri Speech Recognition	Er. Tabish Gulzar/Dr. Asifa Baba
22	76,77,78,79	Face Recognition using PCA	Dr. Asifa Baba
