ISLAMIC UNIVERSITY

DEPARTMENT OF ELECTRICAL ENGINEERING

Revised list of Electives

Revised list of Electives available to students of B-Tech (4th) Semester and B-Tech (8th) Semester Electrical Engineering.

B-Tech 4th Semester:-

Elective Courses	Department offering the Elective.
ECE E15T Signals & Systems.	Electronics & Communication Engineering.
ECE E19T Optical Fibre Communication.	Electronics & Communication Engineering.
MEC-E01T Basic Mechanical Engineering	Mechanical Engineering.
MEC-E02T Hydraulic & Hydraulic Machines.	Mechanical Engineering.
CSE-E28T/P Data Structure.	Computer Science Engineering.
CSE-E07T Linux Internals.	Computer Science Engineering.

B-Tech 8th Semester:-

Elective Courses	Department offering the Elective.
EE 803TE High Voltage Engineering.	Electrical Engineering.
EE 804TE EHV AC & DC Transmission.	Electrical Engineering.
EE 805TE Selected topics in Advanced control.	Electrical Engineering.
EE 806TE Fuzzy Logic & Neutral Networks.	Electronics & Communication Engineering.

17/05/2017

Dr. S. A. Nahvi
I/C Head, EE

No 1037
Dated 17-05-17
Department of Electrical Engineering
IUST Awantipora

Copy to:-

- Display/File/Website.
- CR's Semester 4th & 8th.
- Academic Coordinators (EE) Semester 4th & 8th .
- Coordinator ACIT for facilitation of online Registration.
- DAA for kind information.
- I/C Controller Examination for kind information.
