

ISLAMIC UNIVERSITY OF SCIENCE AND TECHNOLOGY

AWANTIPORA, KASHMIR

Office of the Community Connect

One Day Exposure Visit for the Students of Government Girls Higher Secondary School Khrew

Date: 07-10-2026.

Awantipora, September 07: As part of its continued outreach initiatives to strengthen school–University engagement, the Islamic University of Science and Technology (IUST), Awantipora, hosted a group of 66 students along with faculty members, participated in the visit. The interaction provided an opportunity for students to learn about higher education pathways and explore various academic and professional avenues. During the visit, the students explored the Facilities of the Department of Civil Engineering, Centre for Innovation and Entrepreneurship Development (CIED), and the Rumi library. The Programme featured three interactive sessions aimed at familiarising students with academic opportunities, technical education, and the university learning environment where they were introduced to the academic and technological resources available at the University. The Visit included from Government Girls Higher Secondary School Khrew on Wednesday for an educational campus visit coordinated by the Office of the Community Connect under the aegis of Dean Outreach. During the Visit, the Visiting group Explored, where they were introduced to the academic and technological resources available at the University in Higher education and future Carer opportunities. The Interaction also encouraged Students to Explore new areas of Learning beyond the conventional classroom Environment. The sessions were facilitated by the Departmental of community coordinators faculty members/staff who interacted with the students and shared insights into academic opportunities

The visiting institution described the overall experience as “Excellent,” appreciating the University's interactive approach and the enriching learning environment provided to the students. The visit was coordinated by Dr. Shaiqa Nasreen Coordinator community connect
