

ISLAMIC UNIVERSITY OF SCIENCE & TECHNOLOGY, KASHMIR
OFFICE OF THE DEAN RESEARCH

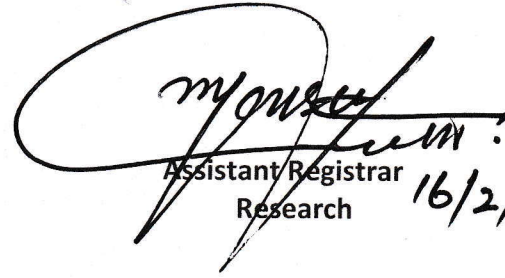

CIRCULAR

It has been noticed that during compilation of the Research data of the University, which is normally done by an independent agency, there is no uniformity observed in the University official name to determine the affiliation of the Researcher. The variation in the affiliation results in loss/under reporting of precious University related Research Output evaluated by different external agencies for the purpose of university ranking.

Accordingly, it is enjoined upon all the concerned that, henceforth, institution affiliation in all the publications shall be as defined in the University Act, i.e., **Islamic University of Science and Technology, Kashmir**.

Heads of the Departments/ Research Centres shall ensure strict compliance of the above.

By order,

Assistant Registrar
