NOTICE

It is hereby notified for information of all University employees (Teaching / Non Teaching) and Scholars / Students, that the University is organizing a **Survey and Health Awareness Camp on Non-Communicable Diseases (NCDs)** on **16th and 17th December 2024**. This initiative is aimed at:

1. Collecting data on the prevalence of NCDs such as diabetes, hypertension, and cardiovascular diseases among the University Faculty, Scholars, and Students.
2. Promoting awareness about the prevention and management of these diseases to foster a healthier campus community.

Details of the Event:

- **Dates:** 16th & 17th December 2024
- **Venue:** University Health Centre
- **Target Participants:**
 1. University Faculty/Staff members (on 16th Dec. 2024)
 2. Scholars, and Students (on 17th Dec. 2024)

Key Points:

- Participation in the survey and camp is voluntary and the survey will strictly adhere to ethical guidelines, ensuring the confidentiality of all respondents.
- Health screenings and awareness sessions will be conducted as part of the camp to enhance understanding of and encourage preventive measures against NCDs.

This initiative is an important step toward promoting health and well-being within our university community. Active participation from all stakeholders is highly encouraged to make it a success.
