A Call to Preserve Our Heritage *Issued by the Rumi Library, IUST, Kashmir*

In line with the **National Mission on Manuscripts**, the **Rumi Library at IUST, Kashmir** invites the public to help preserve our cultural and historical heritage. Many rare manuscripts and artefacts remain in private collections and are at risk without proper preservation. We seek the following materials for donation or digitization (with originals returned if preferred):

- Handwritten manuscripts (any language)
- Historical artefacts
- Rare printed works
- Photographs, drawings, coins, and paintings
- Religious texts
- Personal records of local or national events

Our flood-safe location ensures long-term protection of collections. Contributors will be acknowledged and receive a certificate of appreciation.
