CIRCULAR

I am pleased to inform you that the '**Rumi Library in collaboration with the Dean Research**' has arranged two important guest lectures that aims to equip our research scholars with the necessary skills in managing references & citations using different tools and data analysis using SPSS software. SPSS is a powerful tool for statistical analysis, which is crucial for theses work, dissertations and various research projects. It will help in navigating complex datasets and performing advanced statistical tests.

Dr. Muzamil Mushtaq from Aligarh Muslim University shall deliver a lecture on "**Reference Management and Citation Tools**" and **Dr. Zaffar Ahmad Nadaf from Central University of Kashmir** shall deliver a lecture on "**Simplifying Statistics: Mastering Data Analysis and Variable Management in SPSS.**"

The lectures are of one hour duration each and are scheduled on 13-10-2025 from 11:00 am onwards at the Meeting Hall of the Rumi Library. All interested research scholars are encouraged to attend and get benefitted in their research journey.
