

**ISLAMIC UNIVERSITY OF SCIENCE & TECHNOLOGY  
AWANTIPORA, KASHMIR**

**WATSON-CRICK CENTRE FOR MOLECULAR MEDICINE**

---

**Applications are invited for a two-month Paid Internship Programme  
under SSR-SERB**

Applications are invited for an internship position under the SSR Scheme of the DST-SERB project “Investigating the Catalytic and Non-Catalytic Roles of Replicative DNA Polymerases in Preserving Replication Fork Integrity during Replication Stress” at the Watson-Crick Centre for Molecular Medicine, IUST, Awantipora.

**Essential Qualification:** Candidates who have recently completed their M.Sc. or M.Tech in Biotechnology, Clinical Biochemistry, Microbiology, Biochemistry, or allied fields are encouraged to apply.

**Stipend:** Selected intern will receive a stipend of Rs. 5,000 per month for two months (maximum of Rs. 10,000).

**How to apply:** Interested and eligible candidates should submit their applications, including a one-page research proposal and a CV, via email to the Principal Investigator at [rais.ganai@gmail.com](mailto:rais.ganai@gmail.com). Please use the subject line “SSR-SERB 2024” for your email. The last date of application is 5<sup>th</sup> **November 2024**.

**Selection Criteria:** Students will be selected based on their academic qualifications and a brief one-page research proposal. Only selected candidates will be notified via email.
