IUST students visited JKEDI

Awantipora, Sept. 8. As a part of industry connect initiative, department of economics organized an exposure visit for its student to JKEDI. The students interacted with Director JKEDI and other faculty members and gained an idea about importance of pursuing entrepreneurship and different avenues available.

On this occasion, Director JKEDI, Mr. Aijaz Ahmad Bhat encouraged students to consider entrepreneurship seriously and pursue their interests. He said this is an era of innovations and start-ups. The students learned about different opportunities and also held interactions with JKEDI faculty.

The faculty members from JKEDI delivered talks on various facets of entrepreneurship and discussed JKEDI's role in nurturing entrepreneurial talent, spotlighted the rich resources available for budding entrepreneurs, and underscored the significance of intellectual property rights. On this occasion, Prof. S.M Shafi, Head, Department of Economics, emphasized the enduring significance of entrepreneurship and shared the Department's future endeavours in cultivating a vibrant culture of innovation and enterprise.
