IUST hosts NCC Awareness Program for Girls

Awantipora, May 24: The Islamic University of Science and Technology (IUST) organized NCC awareness program at the campus today. This event was coordinated by the NCC Girls Wing of IUST wherein Col. Sri Prakash Tiwari from the J&K Girls Battalion, Srinagar interacted with the students.

The program aimed to enhance students' understanding of the NCC, highlighting its role in character building, leadership development, and national service. During the program, Col. Tiwari focused on the significance and benefits of the National Cadet Corps (NCC).

The program was also attended by Registrar, Finance Officer, university officers, teachers and students.
