***IUST Hosts Seminar on Building a Global Medical Ecosystem***

Char-i-Sharief, Oct. 25: Alamdar Memorial College of Nursing and Technology, a constituent college of IUST, organized a one-day seminar themed “Fostering a Global Medical Ecosystem: Empowering Future Healthcare Professionals through Admissions, Training, and Placement” in collaboration with Apollo Med Skill and Shazone Foundation.

Keynote speaker Dr. Shaikh Abdul Rehman, Director of Apollo and GVantage, discussed strategies for creating sustainable healthcare ecosystems. Mr. Mujabata from GMC Srinagar and advocate for child mental health, emphasized policy gaps and funding needs in the healthcare sector.

Earlier, welcoming the guests and participants, Principal Prof. Dr. Zamrooda Akhter, underscored the importance of such seminars in strengthening healthcare systems. The event was coordinated by Mr. Tabashir Bashir and Mr. Syed Shahid and Ms. Iram Saba presented the vote of thanks.
