Entrepreneurship Development Program organized by CIED-IUST, concludes.

Awantipora, December 23: The Centre for Innovation and Entrepreneurship Development (CIED), Islamic University of Science and Technology (IUST) concluded a three-day Entrepreneurship Development Program for the School of Health Sciences. The program aimed to equip participants with essential knowledge, skills, and strategies to navigate the evolving healthcare industry.

The program covered key aspects of entrepreneurship in the health sector, including understanding market trends, developing innovative solutions, and addressing challenges in the healthcare landscape. Expert trainers facilitated the sessions, offering practical insights into entrepreneurship within health sciences.

The valedictory session was chaired by Prof. Parvez A. Mir, CEO of CIED-IUST Foundation, along with Prof. Mohd Ayoub Qadri, Dean of the School of Health Sciences, and Mr. Iqram Shafiee, CEO of Shafiee Diagnostics. This program reflects IUST's dedication to fostering innovation and entrepreneurship in critical fields like healthcare.
