IUST's Mathematical Sciences Department Hosts Annual Alumni Meet

Awantipora, Jan. 2: The Department of Mathematical Sciences, Islamic University of Science and Technology (IUST), hosted its Annual Alumni Meet, bringing together alumni, faculty, and students to celebrate the enduring bond between the department and its graduates.

Dr. Peer Bilal Ahmad, Head of the Department, highlighted the importance of alumni meets, stating that such events bridge the past, present, and future. "Our alumni bring invaluable insights and serve as role models for our students," he said. The program was moderated by the Departmental Alumni Coordinator, Dr. Bilal Ahmad Chat.

The event featured inspiring addresses by distinguished alumni, including a Postdoctoral Fellow at the Lunenfeld-Tanenbaum Research Institute in Toronto, Canada, who discussed their cutting-edge research and international academic experience; an Assistant Professor at Lovely Professional University (LPU), who reflected on their academic journey; and a Subject Matter Expert in the Risk Modelling Unit at Chubb Business Services, India, who shared insights into financial risk management.

Mr. Mansoor, a Senior Actuarial Analyst based in New York, addressed the audience, discussing career opportunities in actuarial sciences, sharing insights into skills required, challenges faced, and growth potential in the field. These alumni and others offered invaluable guidance, showcasing the diverse career paths available to graduates of the department.
