IUST Conducts FDP on Research in a Global Context

Awantipora, April 04: The Department of Management Studies, Islamic University of Science and Technology (IUST), Awantipora, in association with the CIED-IUST Foundation, conducted a Faculty Development Program (FDP) on “Research in a Global Context.” The program provided faculty members and scholars with insights into global research trends and strategies for making impactful academic contributions.

Prof. Dr. Zafar U. Ahmed, CEO Academy for Global Business Advancements, and Professor at King Fahd University of Petroleum and Minerals, shared his expertise on fostering high-quality research and interdisciplinary collaborations, and emphasized integrity in impactful research.

Prof. Pervaiz A. Mir, Dean School Business Studies IUST, highlighted the university’s commitment to fostering a research-driven academic culture. Prof. S. M. Shafi, Head Department of Economics underscoring its impact on research and academic growth. Faculty, scholars, and researchers actively participated, with interactive sessions fostering innovation. Dr. Naveeda Saher delivered the vote of thanks.
