**IUST's Economics Department Conducts Outreach Program at GHSS Pulwama**

Awantipora, 29 May: The Department of Economics, Islamic University of Science and Technology (IUST) conducted an outreach program at Government Higher Secondary School Rahmoo Pulwama.

During the program, the students were sensitized about the contemporary job markets and economic structures. The students were also informed about the role of IUST in bridging the knowledge pathway between students and job markets by training the students in relevant fields. The scholars interacted with the students and the participants actively participated in the discussion. The program was coordinated by Dr. Mehak Majeed & Dr. Abdul Hamid Mir, who were also joined by scholars and students.
