**IUST Organises Exposure Visit for School Students from Budgam**

**Awantipora, October 7:** The Office of Community Connect, under the aegis of the Dean Outreach, Islamic University of Science and Technology (IUST), organised a one-day exposure visit for students of Evergreen Public School, Nanir Budgam. The visit was held in collaboration with the Departments of Computer Science and Engineering (CSE) and Electronics and Communication Engineering (ECE).

The program coordinated by Dr. Shaika Nasreen, Coordinator Community Connect aimed to familiarize students with emerging technologies and to ignite their curiosity in science, innovation, and higher education. The students, accompanied by teachers, explored key facilities including the Cyber Physical Systems Lab, Robotics and Drone Lab, High Power Computing Lab, and Microwave and Antenna Lab and interacted with faculty members gaining valuable insights into technological applications and research. The visit provided a meaningful learning experience, motivating young learners to explore future possibilities in science and technology.
