IUST Volunteers Excel at National Adventure Camp in Dharamshala

Awantipora, Dec. 3: Four volunteers from the Islamic University of Science & Technology (IUST) successfully participated in the National Adventure Camp organized by the Ministry of Youth Affairs & Sports at the Regional Mountaineering Centre, Dharamshala, from November 18 to 27, 2025.

The students namely Feroze Bashir, Eesa Yousuf, Sehreen Fayaz, and Wani Fahiem Amin completed intensive mountaineering training that included rock climbing, rappelling, double jumaring, knot-making, and a high-altitude trek to Triund (2,875m). They also received training in mountain emergency response and casualty management, and took part in cultural activities and educational tours in Dharamshala and McLeodganj.

Highlighting the achievement, Dr. Tariq A. Ganaie, NSS Programme Coordinator, said that the participation of IUST volunteers at national platforms reflects the university's strong focus on holistic development, leadership, and experiential learning.
