***IUST's Centre for Vocational Studies Holds Third BoS Meeting***

Awantipora, December 10: The Centre for Vocational Studies, Islamic University of Science and Technology (IUST), Kashmir, convened its third meeting of the Board of Studies (BoS). The meeting was chaired by Prof. Ayoub Qadri, Dean, School of Health Sciences, and convened by Dr. Shahid Mudasir Baba, Coordinator, Centre for Vocational Studies.

The Board held detailed deliberations on the academic and administrative agenda presented, with a strong focus on enhancing the quality and relevance of the programmes offered by the Centre. Members provided valuable inputs on the revised scheme and syllabus for the Bachelor of Vocation programmes in Medical Laboratory & Molecular Diagnostic Technology (ML-MDT), Operation Theatre Technology (OTT), and Medical Radiology & Imaging Technology (MRIT) across various batches.

These recommendations were aimed at ensuring alignment with the latest standards and guidelines issued by the National Commission for Allied and Healthcare Professions (NCAHP), thereby strengthening the academic structure and improving the professional readiness of students. The Board also underscored the importance of ongoing curriculum review, incorporation of emerging technological and clinical competencies, and the promotion of skill-based learning to effectively meet the evolving needs of the healthcare sector.
