ELIGIBILITY:

The bidder should have successfully completed one similar nature of work in the last five years in any Govt. / Semi Govt. / Autonomous Body.

DEFECT LIABILITY PERIOD/AMC:

The DLP shall be calculated from the date of completion of work and period shall be 12 months. The defects noticed in the work during execution or DLP shall be corrected by the successful bidder within the time specified by the Engineer. If the successful bidder fails to do so to the satisfaction of the engineer within the time specified, the Engineer will assess the

cost of having the defects corrected and successful bidder will pay this amount on correction of defects.

Maintenance Period:

The successful bidder shall provide free maintenance (AMC with Manufacturing Company) for a period of three years after completion of DLP.

Operation Period:

For smooth functioning of lifts, the successful bidder in addition to AMC shall arrange an operator for a period of 01 year from the date of completion.

Security Deposit:

The lowest bidder has to submit Performance Security @ 3% of quoted amount in the shape of CDR/FDR/BG from a registered bank only, after the issuance of Letter of Intent (LOI) and shall be valid upto 45 days after the Maintenance Period. The Performance Security shall be released only after its due date i.e., 45 days after the completion of the Maintenance Period of the work.
