The Barakat Trust's Award Programme 2023

30 May 2023

Dear G2023/A3/802_Hakim Sameer Hamdani

I am pleased to tell you that at their recent meeting the Academic Advisory Committee of The Barakat Trust awarded you the following:

Grant reference:	G2023/A3/802_Hakim Sameer Hamdani
Grant Amount:	£10,000 Şadaqa jāriya
Project:	Architectural Epigraphy in Early Modern Kashmir
Conditions of Award:	none

Attached are the Conditions of Acceptance, Privacy Policy and the Payment Request Form. If you wish to accept the award, please read all the documents carefully and complete them.

The Conditions of Acceptance form (CoA) should be signed, scanned, saved as a pdf file, and emailed to us.

The Payment Request Form (PRF) must be completed as a Word document or a pdf file and returned as an email attachment — please, do NOT complete the Payment Request Form by hand. If you are awarded a grant under A3 you will need complete two PRF Forms – one for 90% (PRF90) of the award and one for 10% (PRF10) of the award made once the final report has been received.

****Please save your files using your Grant Reference + Name +File type (e.g., "G2023/A3/123 Ali Saleh_PRFF90").**

Failure to submit your forms in the correct format will result in a delay in payment of your grant. Payments will only be made to an institution and will be made by bank credit transfer, and may take several weeks to process. UK legislation subjects us to various bank checks and these take time. Please submit your bank details immediately or you may not receive your grant before the autumn.

Correspondence:

Both documents in the acceptance package must be returned to reports@barakat.org. Please also use this email for all inquiries or correspondence related to your grant and **always** include your grant reference number and name in the subject line of any email so we can locate your files and deal with your request seamlessly.

Yours sincerely
