CAREER COUNSELLING & PLACEMENTS

Introduction

Student Placements are facilitated by actively reaching out to the Corporate World. The Department achieves this objective by having a targeted approach towards the three major stakeholders in the placement process i.e. the students, the companies and the university. The Career Counselling & Placement Cell (CCPC) follows a set procedure to maintain warm and healthy relation with the companies/industries/organizations and therefore, serves to bridge the gap between a job-aspirant and a prospective employer. Moreover, it helps the students to plan their careers by providing appropriate information about the industries which approach the University. In addition, the CCPC frequently consolidates the list of available vacancies in the leading public and private sector organizations and consistently uploads such information on the University website for the benefit of the students/alumni.

The students of IUST have been recruited in the companies/industries like Syntel, Fujitsu, Aries Agro Ltd, Phoenix Maritime, Larsen and Turbo, Capgemini, Iyogi, Rooman Technologies, Wipro, Reliance Jio, HCL, Tata Consultancy Services Ltd. (TCS), Saskens Communication Technologies, All online Softech Pvt. Ltd, Talentedge, Suriya Wires Pvt. Ltd, iQuasar Software Solutions, Outlook Group, Jamkash Vehicleads Kashmir Pvt.
