CAREER COUNSELLING & PLACEMENTS

TRAININGS

The Career Counselling & Placement Cell (CCPC) provides an environment to the Students/Alumni for developing their holistic personality by inviting distinguished resource persons, professionals, motivational speakers and experts from the leading organizations/industries. Experts from the field of communication and interpersonal skills are invited to equip our students with necessary soft skills required to face interviews in the competitive world. Such training exposure gives our students a competitive edge in the global employment market. The Placement Cell emphasizes upon to create formal training programmes for all the students in the mode of Winter/Summer Internships as well.
