Activities

The department organizes additional activities like workshops, seminars, fests, group discussions, technical debates and presentations on current trends in the field of CSE in order to provide students hands-on exposure in software designing, coding, testing, deployments and overall programming. Industrial tie-ups are made for the internship of the students.

- The department of CSE organized one-week workshop titled *Data Science and Information Security Bootcamp* at IUST in June 2019. The speakers/trainers in the workshop were from IIT Roorkee, IIT Mandi, IIT Jammu, NIT Goa, JamiaMilliaIslamia New Delhi and MAKAUT West Bengal.

- The department of CSE organized a day-long *Programming Day* in May 2019 with the intention to instill zeal for programming among the students.

- The department of CSE organized *FunFest* in Apr 2019. Various activities like coding competition, gaming etc. were executed during the fest.

- The department of CSE organized a month-long workshop/training programme on Internet of Things (IoT) for students in Jan 2019.

- The department of CSE in collaboration with M]][AKAUT organized one-week workshop on *Smart Sensors and IoT* at MAKAUT in Oct 2019.

- The department of CSE in collaboration with MAKAUT organized one-week workshop on *Cyber Security* at MAKAUT in Feb 2019.
