

Department of Electrical Engineering, IUST
Conferences / Seminars / Workshops Conducted

S.No	Name of Conference / Workshop / Seminar	Organized / Conducted on	Remarks
1	Innovation Frontiers-I, one day workshop organised by Dr. Shahkar Ahmad Nahvi as coordinator under the Design Innovation Centre (DIC), IUST	April 28, 2016	Mode: Offline
2	Design Thinking, one day workshop organised by Dr. Shahkar Ahmad Nahvi as coordinator under the Design Innovation Centre (DIC), IUST	26, July 2017	Mode: Offline
3	One week short term training program on the “Electric Power Systems” organised by Mr. Rayes Ahmad Lone as coordinator in the department of Electrical Engineering at IUST Awantipora along with IIT Kharagpur	10-15 July 2017	Mode: Offline
4	Two Day workshop on PSCAD Software	24-25 July 2018	Mode: Offline
5	One week workshop title “FPGA programming in Power and Control applications”, organised by Co-ordinators Mr. Salman Ahmad ,and Co-Coordinator Dr. Ahmed Sharique Anees in the Department of Electrical Engineering at IUST	10-14 Sept 2019	Mode: Offline
6	Two days Hands on workshop “Computational Methods in Electrical Engineering”	31st March -1st April 2021	Mode: Offline
7	One-day webinar on Final Year Students Design Projects: Choices & Implementation	11-11-2021	Mode: Hybrid (online-offline)
8	One-day webinar on Power Electronics Applications in Electric Vehicles	26-11-2021	Mode: Hybrid (online-offline)
9	One-day webinar on Air Traffic Management over Indian Space: operational procedure and dynamic flow Modelling	30-10-2021	Mode: Hybrid (online-offline)
10	Workshop in collaboration with 3CP on “ How to Build Your Professional Profile”	16-11-2022	Mode: Offline
11	Invited Lecture on “Smart Metering Implementation in J&K”	21-11-2022	Mode: Offline
12	One-day workshop on Energy Conservation & Renewable Energy	20-02-2023	Mode: Offline
13	AICTE ATAL FDP	18-23 Dec 2023	Mode: Offline
14	One day workshop through TIRECC	28-12-2023	Mode: Offline
15	Expert Lecture on "Flexible overhead conductor system (FOCS) / Rigid overhead conductor system (ROCS) in Indian Railways"	7th March 2024	Mode: Offline
16	Alumni Meet 2024	21st June 2024	Mode: Offline
17	An industrial visit to Northern Railways Banihal	3rd September 2024	Mode: Offline
18	An industrial visit to Kangan Generating Station USHP - II Ganderbal	29th October 2024	Mode: Offline
