

“

Can't believe that it's been more than 10 years since I left IUST Dept. Of English as all the sweet memories are still very fresh. Dept. of English IUST provided me with the greatest platform to nourish my career both intellectually and professionally. The faculty was highly supportive in nurturing the required skills and knowledge which helped me scale up my career. The facilities and infrastructure of the Dept. were of high standard. I really enjoyed spending time in the language lab where I was able to polish my spoken English. I am really proud to be an alumni of IUST Dept. of English. The level of coaching, guidance and love that the faculty provided me and all my fellow students was exemplary. The Department provided me with useful insights with the help of which I was able to register for MPhil at University of Kashmir. This went a long way to help me secure my current position as Lecturer in School Education Department Kashmir.
