

“

I look back on my time at IUST with much gratification. I am highly indebted to the entire IUST family, in particular, Dept. of English Language and Literature for helping me achieve great heights in these two years. The classes were always engaging and dynamic, they cemented my love of literature and gave me strong foundation for further studies. During my Master's degree, I was able to explore my interests as well as discover new ones. Studying in IUST's English Department fostered my growth as both scholar and person. Currently, I am pursuing PhD at the Central University of Kashmir, Department of English and I surely give my credits to IUST Dept. of English Language and Literature for imbibing in me the thirst for research studies. I consider myself privileged to have learned analytical skills at IUST that continue to serve me in my research career. I am thankful for the experiences I had, the friends I made and the skills I developed. Beyond that I will never have enough good words to describe my time IUST.
