

“

Being a student at IUST has been a surreal experience. I want to convey my sincere gratitude and thanks to the IUST family, where I spent two golden years of my life. Furthermore, I want to extend my warm regards to the Department of English Language and Literature and each faculty member for providing me with beneficial and enlightening exposure which shaped me into a better personality. The Language Lab of the department for provided a platform to improve my communication skills and an opportunity to showcase them. The mentors at IUST helped me to enhance my academic and interpersonal skills. IUST Awantipora is an excellent place for learning. I am sure the students studying here or are planning to take admission will gain immensely from the facilities and the knowledge of the competent faculty of IUST.

”

Mr. Umair Hyder
PhD Scholar, Department of English Language &
Literature, IUST
