| d. Head of the concerned Department            | Member Secretary |

Besides the viva shall be necessarily publicized and shall be open to be attended by members of the SRAC, DRC, faculty members of the Department, other research scholars and other interested experts/researchers/ students.

- 15.9 The supervisor should send a panel of 8 examiners at professors level having the specialization relevant to the area of scholar's research to Chairman DRC. However, in new & emerging fields/ subjects, 50% of the examiners can be of Associate Professor level. The Chairman DRC shall forward the same to Vice Chancellor through concerned Dean of School. Vice Chancellor on the recommendations of the Dean Research shall select four examiners for evaluation of thesis in order of preference.
- 15.10 External Examiners need to evaluate the thesis within a time frame of two months from the receipt of thesis. In case the reports are not received within the stipulated time, further action in terms of grant of extension or change of examiner shall be initiated at the level of Dean Research.
- 15.11 After reports are received from the examiners, Vice Chancellor shall nominate one of them as expert to conduct the viva voce.
- 15.12 The open viva-voce of the research scholar to defend the dissertation/thesis, either online or offline shall be conducted only if the evaluation reports of the external examiners on the dissertation/thesis are satisfactory and include a specific recommendation for conducting the viva-voce examination which shall clearly indicate any one of the following:
- Recommended for the award in present form and for publication OR
  - Recommended for the award but for publication only after making changes suggested in the report OR
  - Recommended for the award only after candidate has made changes suggested in the report. The revised version need not be sent to evaluator (s) for second evaluation, but DRC must certify that changes as suggested by me have been incorporated by the candidate.
  - Recommended for the award only after candidate has made changes suggested in the report. The revised version should be sent to evaluator(s) for second evaluation and based on their report, degree be awarded or rejected as the case may be.

e. Thesis be rejected as per detailed report.

15.13 If reports from both examiners do not recommend the award of degree, research scholar shall be declared ineligible.

15.14 If one of the evaluation report by the external examiner is unsatisfactory and does not recommend viva-voce, the DRC shall send the dissertation/ thesis to third external examiner out of the approved panel of examiners and the viva-voce examination shall be held only if the report of the third examiner is satisfactory. If the report of the third examiner is also unsatisfactory, the dissertation/ thesis shall be rejected, and the research scholar shall be declared ineligible for the award of the degree.

15.15 The reports from the external examiner should be received within three months. In case any examiner fails to forward the response within three months of receipt of the thesis, the thesis may be sent to 4<sup>th</sup> examiner from the panel.
