

INTERNATIONAL CENTRE FOR SPIRITUAL STUDIES

School Of Humanities And Social Sciences
Islamic University Of Science And Technology

DOCTORATE OF PHILOSOPHY (Ph.D.) IN SPIRITUAL STUDIES

ABOUT THE COURSE:

In light of the vision of the Centre, we at ICSS aspire to attract research scholars to study, research and contribute to the field of spirituality as found in different religious traditions, with special reference to Islam. Besides, research at ICSS shall promote a better understanding of the spiritual crises of the post-modern man by encouraging peace and interfaith dialogue through spirituality. From the year 2023, ICSS has started the Ph.D programme in Spiritual Studies and the thrust areas of research will be the following:

- Spirituality in different religious traditions. A comparative study.
- Moral and Spiritual crises of the present age and the possible remedies.
- Inter-religious dialogue and the role of spiritual personalities and Sufis.
- Medication, meditation and spiritual healing.
- Science and Spirituality.
- Spiritual Ecology.
- Moral and Spiritual values and peaceful co-existence.
- Peace, harmony, inter-religious understanding and dialogue among civilizations.
- Feminism, religions and spirituality.
- Mystical heritage of Kashmir.

DURATION: 03 years

WHO CAN APPLY?

The candidates possessing a Master's degree in Humanities, Social Science, Arts and other allied subjects including Medicine and Sciences from a recognized University shall be eligible for admission to Ph.D. in Spiritual Studies.
