IUST organizes Awareness Campaign on Drug Abuse

Awantipora, March 16: Mantaqi Centre for Science and Society today organized a Slogan writing and Painting activity to spread awareness against the drug abuse. The event was attended by students who drew paintings and slogans

depicting the impact of drugs on humans and imbibing willingness and ability in students to say 'NO' to drugs. The paintings were later displayed at various places within the campus with an aim to keep reinforcing the message. Dr. Andleeb, Coordinator Mantaqi Centre for Science and Society, and Dr. Shabana, Department of Computer Science, engaged with students in discussions around Substance Abuse. Dr. Aijaz Quraishi, Research Officer, MCSS was also present.
