IUST Outreach Program for Computer Science Education

Awantipora, Aug 24. Under the Community Outreach Initiative, the Department of Computer Science, IUST organised a computer science education program for the students from Govt. Degree College, Kulgam at the university campus. The program was attended by the students and faculty members of the college.

Besides introducing students to the field of Computer Science especially Data Sciences, the students and faculty members of the college visited the High Power Computing Facility, Food Testing Lab, Design Innovation Centre, Directorate of Information Technology & Support Services, Rumi Library, and Centre for Innovation and Entrepreneurship Development at the campus.

During the program they interacted with Dr. Javaid Iqbal (Director, IT & SS), Dr. Kaisar Giri, (Director, DIQA), Prof. Lily Want (Dean Outreach), Dr. Rumaan Bashir (I/C Dean, School of Engineering & Technology, and Head Department of Computer Science), Dr. Shazana Andrabi (Coordinator, Community Outreach), and other faculty members from the Department of Computer Sciences. The college appreciated IUST's efforts especially the department of Computer Science for organizing such outreach initiatives.
