***Program on Opportunities in Corporate Sector held at IUST***

Awantipora, June 10, 2024 - The Department of Mathematical Sciences, under the aegis of University Industry Connect organized seminar with Mrs Jaspreet Kaur, Senior Lead at Fidelity Investments, Bangalore as the main speaker.

The program titled 'Opportunities in the Corporate Sector' aimed to provide valuable insights into the crucial aspects of career planning and development, internship opportunities, shedding light on the strategies and approaches that individuals can adopt to shape their professional journeys effectively. Mrs Kaur, offered guidance to students and attendees on how to navigate the complexities of modern career paths.

This initiative falls in line with the university's commitment to fostering holistic development and enhancing students' career prospects by connecting academic knowledge with real-world industry practices.
