**Description:**

The Department of Economics, Islamic University of Science and Technology, Awantipora organized a Community Outreach program on 22 August 2024. The program was held in the Government Model Higher Secondary School, Bijbehara. The program was designed to orient and update the students of the higher secondary institute towards a better understanding of Economics as a dynamic career field.

The session was conducted by Dr Mehak Majeed, Assistant Professor in the Department of Economics who is also the Coordinator of Community Outreach for the department. Dr Abdul Hamid Mir, Assistant Professor in the same Department, led the interactive part of the session. The session was also attended by two students Shahid Shakeel and Iqra Qasiba Yousuf and a Scholar Abid Ali Mir from the Department of Economics, who actively engaged the students in a bi-way interactive, and exposure session. The session ended with the students requesting to visit the IUST campus soon.
