

Educational Tour by Students of GBHSS Sallar

Date: 10-09-2024

Target audience: 11th,12th class students

Description:

The Office of Community Connect, (IUST) organised an educational tour for the students of the Govt Boys Higher Secondary School Sallar. The students' visit to the Computer Science and Engineering Lab at IUST was designed to boost their practical skills and spark a deeper passion for technology and innovation. The students' visit to the Embedded Systems and Robotics Lab at IUST provided a unique opportunity for hands-on experience with cutting-edge technologies. This lab plays a crucial

role in offering practical exposure and a deeper understanding of embedded systems and robotics. Prof. Parvez Ahmad Mir, as the Director of the Centre for Innovation and Entrepreneurial Development (CIED IUST Foundation), provided a detailed overview of the department's mission and activities during his engagement with students. His presentation emphasized CIED's dedication to expanding educational opportunities and meeting students' needs through various outreach programs.

A total of 40 students along with 6 teachers visited the campus and interacted with the faculty/staff. The visited location includes Department of Computer Science and Engineering, Embedded Systems and Robotics, High performance Computing Lab, DITSS and Library.
