Govt Girls Higher Secondary School Ranibagh Anantnag visits CIED IUST Foundation for Innovation and Entrepreneurship Exposure development.

Prof. Parvez A. Mir the Director of CIED IUST Foundation give the overview of CIED to the students told it was both inspiring and informative! His focus on enhancing educational opportunities and addressing the unique needs of students through outreach programs is crucial for creating a tailored learning experience. By highlighting the importance of innovation and entrepreneurship, he likely encouraged students to think outside the box and consider how they can make a difference in their fields. This kind of leadership can empower students to take initiative and pursue their entrepreneurial ambitions with confidence. His insights not only provide practical guidance but also help cultivate a mindset geared toward innovation.

The main aim for students visiting the Centre for Innovation and Entrepreneurial Development (CIED) is to gain exposure to the critical role of innovation and entrepreneurship in today's world.

The visit to the Centre for Innovation and Entrepreneurial Development (CIED) clearly offers students a rich opportunity to understand the significance of innovation and entrepreneurship. By gaining insights into how these concepts drive progress, students can better appreciate their relevance in today's dynamic landscape.

Direct engagement with the director provides invaluable guidance on developing innovative ideas and navigating the funding landscape, which are crucial for aspiring entrepreneurs. Additionally, the chance to network with industry professionals allows students to build relationships that can support their future endeavours.

Overall, this experience not only enhances their knowledge but also equips them with practical skills and confidence to pursue their own entrepreneurial journeys.
