

## Awareness on Fundamental Duties in the Indian Constitution

**Date: 11-09-2023**

**Target Audience: 9<sup>th</sup> 10<sup>th</sup> students**

### **Description:**

As part of Community Outreach Programme initiated by Islamic University of Science and Technology, the Centre for International Relations (CIR) while continuing its outreach programmes, conducted a lecture at Government High School Awantipora. CIR faculty member Dr Shahnawaz Mantoo delivered a lecture on the theme “Fundamental Duties”. Headmaster, Mr. Ghulam Hassan Dar, while underlining the need and importance of such initiatives, stressed that such academic engagements should be encouraged and conducted on a regular basis in future as well, in order to develop a long-term collaboration between IUST and local schools, and provide much-needed exposure to students. The session aimed to highlight the significance of fundamental duties as outlined in the Indian Constitution, emphasizing the responsibility of citizens in fostering a rational and informed society. Participants explored the concept of scientific temper, which promotes critical thinking and evidence-based reasoning. The session aimed to highlight the significance of fundamental duties as outlined in the Indian Constitution, emphasizing the responsibility of citizens in fostering a rational and informed society.
