

Workshop on Soft Skills Development

Pulwama, November 20, 2024: The Centre for Career Counselling and Placements, in collaboration with the Centre for International Relations (CIR) at the Islamic University of Science & Technology (IUST), successfully organised a one-day workshop on Soft Skills Development. The workshop emphasised the importance of interpersonal and professional skills such as effective communication, conflict resolution, leadership, problem solving, and decision making.

Ms. Isma Hamid, faculty member from the department of English Language and Literature, IUST was the resource person for the workshop. Her expertise and practical insights created an engaging learning environment, making the session impactful. Dr. Urba Malik, moderated the workshop and ensured its smooth success. Dr. Athar Ud Din, I/C Head, CIR extended their support, playing a vital role in the success of the workshop.

The workshop was attended by sixty-two students from CIR. The workshop is part of IUST's commitment to preparing the students for the challenges of the modern world.
