

CIED-IUST Foundation Conducts Entrepreneurship Awareness Program (EAP) for Department of Islamic Studies at Campus-III

15-05-2025: Students from the Department of Islamic Studies, Islamic University of Science and Technology (IUST), visited CIED-IUST Foundation under the ongoing Entrepreneurship Awareness Program (EAP) series at Campus-III. The program was conducted under the leadership of Prof. Parvez A. Mir, CEO, CIED-IUST Foundation and focused on raising awareness of entrepreneurship in the current economic landscape.

The inaugural session of program was led by Prof. Parvez A. Mir, CEO-CIED Foundation in the presence of Dr. Showkat Hussain Dar, Head of the Department and Dr. Riyaz Ahmad Sheikh, Faculty of the Department. Prof. Mir shared valuable insights into contemporary entrepreneurial practices and the challenges entrepreneurs commonly face. He mentioned that financial independence is the need of the hour for both boys as well as girls. He also provided a comprehensive overview of the support mechanisms offered by CIED, including funding opportunities, business incubation services and initiatives designed to foster innovation and nurture entrepreneurial thinking.

As part of the initiative, students visited key laboratories at Campus-III including the C4i4 Lab, the AICTE Idea Lab, the Computer Lab and the Ultratech Cement Lab, where they were introduced to advanced technological infrastructure, including 3D printers, a PCB prototyping machine and laser cutting equipment.

The entrepreneurship awareness initiatives will progressively engage all departments of the University in a phased manner.
