

Two-Day National Seminar on Scientific Honey Beekeeping Integrated with Oilseed Mission Concludes at CIED-IUST Foundation, Campus-III

17-10-2025: The two-day National Seminar on “Scientific Honey Beekeeping Integrated with Oilseed Mission”, supported by ni-MSME Hyderabad, concluded today at CIED-IUST Foundation. The seminar aimed to support and create awareness among beekeeper entrepreneurs about scientific practices in beekeeping and its integration with the Oilseed Mission.

The valedictory session was graced by Prof. Parvez A. Mir, CEO, CIED–IUST Foundation, Mr. Sameer Wazir, Finance Officer, IUST, Prof. Vikas Nanda, Professor at the Sant Longowal Institute of Engineering and Technology (SLIET), Punjab, Prof. Zafar U. Ahmad, Founder CEO of the Academy for Global Business Advancement (AGBA), Washington D.C. and Mr. Abdul Rashid Chadino, Managing Director, Aaraah Foods & Spices, along with other dignitaries and members of the CIED–IUST Foundation.

Participants expressed their gratitude to the experts and trainers for conducting insightful and interactive sessions throughout the seminar. The event concluded with the distribution of certificates among the participants.
