

CIED–IUST Foundation Organizes Interactive Session with Mr. Vinay Chaddha under EDP for Transformational Leadership of Micro and Small Enterprises

31-10-2025 CIED–IUST Foundation organized an interactive session under the Executive Development Program (EDP) in Transformational Leadership for Micro and Small Enterprises, sponsored by the Small Industries Development Bank of India (SIDBI). The program was held under the leadership of Prof. Parvez A. Mir, CEO, CIED–IUST Foundation.

The session was inaugurated by Prof. Parvez A. Mir, in the esteemed presence of Mr. Vinay Chaddha, Chief Executive Officer, GVC Systems Pvt. Ltd., Noida, along with faculty members from the Department of Electronics and Communication Engineering, IUST, distinguished members of the CIED–IUST Foundation, students and participating entrepreneurs.

In his inaugural address, Prof. Mir highlighted the critical role of leadership in driving the sustainable growth of micro and small enterprises. He emphasized the importance of developing a deep understanding of industry dynamics and asserted that transformational leadership is essential for navigating today's rapidly evolving business environment while fostering innovation and resilience.

Mr. Vinay Chaddha delivered an engaging and insightful session, addressing real-time challenges faced by entrepreneurs in their business operations. He shared practical demonstrations and examples from his experience in the field of electronics and communication engineering, connecting them to broader business perspectives. He also guided participants on cultivating a strategic approach to entrepreneurship and building a sustainable career through innovation and discipline.

The session ended with an engaging discussion that promoted collaboration, learning and inspiration among participants.
