

CIED-IUST Foundation and KAST Organises Integrated Skill Program on Documentation, Presentation and Graphic Design

03-11-2025: CIED-IUST Foundation, in collaboration with Kalam Academy of Skill Development and Training (KAST), successfully organised an Integrated Skill Development Program on Documentation, Presentation and Graphic Design at Campus-III IUST, aimed for enhancing both theoretical understanding and practical expertise among students.

The inaugural ceremony was graced by Prof. A. H. Moon, Dean Academic Affairs IUST, in the presence of Prof. Parvez A. Mir, CEO CIED-IUST Foundation, Dr. Liyaqat Nazir, Coordinator KAST, along with faculty members, CIED team and the participants of the program.

In his inaugural address, Prof. Moon highlighted the growing relevance of skill-based learning, particularly in areas such as documentation, presentation and graphic design. He encouraged students to explore such career-oriented programs and also apprised them about internship opportunities facilitated by the University to support hands-on learning and industry exposure.

Prof. Parvez A. Mir presented an overview of CIED-IUST Foundation, outlining its mission to nurture innovation, entrepreneurial thinking and practical skill development. He informed the participants about various workshops, training sessions and capacity-building initiatives conducted regularly by the Foundation to empower students with industry-relevant skills.

The program has been designed with the core objective of equipping participants with practical knowledge in professional documentation, impactful presentations and graphic design tools, thereby strengthening essential competencies required at every stage of academic and professional growth.
