CIED–IUST Foundation Organizes Plantation Drive at IUST Innovation Campus

01-04-2026: In continuation of the Plantation Week celebrations, the CIED–IUST Foundation organized a plantation drive at the IUST Innovation Campus under the theme “Donate, Plant or Own a Tree.” The initiative reflects the Foundation’s commitment towards environmental sustainability and ecological responsibility.

The Plantation Drive was inaugurated by Prof. Parvez A. Mir, CEO, CIED–IUST Foundation, in the presence of Dr. Aijaz Ahmad Qureshi, Assistant Registrar (Landscaping), along with other esteemed members of the Foundation.

The drive witnessed enthusiastic participation from the administration and faculty of CIED–IUST Foundation, as well as students from Government Polytechnic College, who actively contributed to the plantation activities across the campus.

The initiative aimed at enhancing the green cover, promoting biodiversity conservation and contributing to the overall beautification of the campus. It also aligns with the broader objectives of the Green India Mission and underscores the institution’s commitment to fostering environmental awareness among youth.
