One Day Exposure Visit for Students of PM Shri Govt. Higher Secondary School Dragger, Budgam

Date: 04-05-2026

Target Audience: Students of PM Shri Govt. Higher Secondary School Dragger, Budgam

Description:

The Office of Community Connect (IUST), under the aegis of the Dean Outreach, organized a one-day exposure visit for the students of PM Shri Govt. Higher Secondary School Dragger, Budgam on 4th May 2026. The visit witnessed the enthusiastic participation of more than 150 students, accompanied by 15 faculty members.

During the visit, the participants toured key academic departments of the university and were introduced to its vibrant academic environment, modern facilities, and research-oriented learning ecosystem.

The students visited the **Department of Journalism and Mass Communication**, where they were acquainted with the department's academic programmes, practical training modules, and media production facilities. As part of the visit, they explored the Multimedia Studio, gaining first-hand exposure to professional audio-visual production tools and broadcasting techniques. They also visited the Multimedia iMac Lab, where they were introduced to advanced digital media editing platforms and creative content production processes.

The group also visited the **Department of Electronics and Communication Engineering**, where they were familiarized with the department's academic and laboratory infrastructure. During their interaction, the students toured the Analog Electronics Lab and gained practical insights into fundamental electronic circuits, components, and instrumentation used in modern communication systems.

The exposure visit provided the students with a valuable opportunity to experience the university's academic atmosphere and interact with advanced learning resources. It offered meaningful insights into higher education pathways and inspired participants to explore future academic and professional opportunities in media, communication, and technology.
