

**Government Girls Higher Secondary School Chanapora Srinagar Visits CIED–IUST
Foundation for Entrepreneurship Awareness Program (EAP)**

01-06-2026: Students from Government Girls Higher Secondary School, Chanapora, Srinagar, visited the CIED–IUST Foundation at the IUST Innovation Campus for an Entrepreneurship Awareness Program (EAP). The visit was designed to offer students firsthand exposure to innovation-driven entrepreneurship and emerging technologies, helping bridge the gap between academic learning and real-world applications.

The visiting delegation was warmly welcomed by Mr. Shameem Iqbal, Manager, CIED–IUST Foundation, who introduced the students and faculty members to the Foundation’s mission, vision and key objectives. In his address, he highlighted the growing significance of entrepreneurship in today’s dynamic and competitive world and encouraged students to embrace skill-oriented learning to enhance their employability and career prospects.

Mr. Iqbal emphasized that innovation-driven entrepreneurship plays a pivotal role in promoting sustainable development, economic growth and self-reliance. He also conducted an engaging and interactive session on the fundamentals of entrepreneurship, design thinking and the process of transforming innovative ideas into viable business ventures. Through practical examples and discussions, students gained valuable insights into identifying opportunities, solving real-world problems and developing entrepreneurial mindsets.

As part of the experiential learning component, the students toured several state-of-the-art facilities, including the iFactory Lab, Design & Development (D&D) Lab, Training & Development Lab and UltraTech Cement Lab. They actively participated in hands-on sessions involving advanced technologies such as 3D printers, 3D scanners, PCB prototyping machines, CNC machines and laser cutting equipment, gaining valuable exposure to real-world applications and industry-relevant skills.

The program concluded with a vote of thanks, wherein both students and faculty members expressed their gratitude to the CIED–IUST Foundation for organizing an informative, inspiring and enriching session.
