

**BMIS Reban Shopian Visits CIED–IUST Foundation for Entrepreneurship Awareness
Program (EAP)**

02-06-2026: Students from Brilliant Minds Innovative School, Reban Shopian, visited the CIED–IUST Foundation at the IUST Innovation Campus for an Entrepreneurship Awareness Program (EAP). The visit was organized to provide students with firsthand exposure to innovation-driven entrepreneurship.

The visiting delegation was warmly welcomed by Mr. Adnan Ali Khan, Incubation Manager, DST i-TBI CIED–IUST Foundation, who introduced the students and faculty members to the Foundation’s mission, vision and key initiatives aimed at fostering innovation and entrepreneurship among young minds. Addressing the participants, he highlighted the growing importance of entrepreneurship in today’s dynamic and competitive environment and encouraged students to develop practical skills, creativity and problem-solving abilities to enhance their future career opportunities.

During the program, Mr. Shameem Iqbal, Manager, CIED–IUST Foundation, emphasized the significance of innovation-led entrepreneurship in promoting sustainable development, economic growth and self-reliance. He conducted an engaging and interactive session on the fundamentals of entrepreneurship, design thinking and the journey of transforming innovative ideas into successful ventures.

As part of the experiential learning component, the participants toured the Foundation’s state-of-the-art facilities, including the iFactory Lab, Design & Development (D&D) Lab, Training & Development Lab and UltraTech Cement Lab. The students actively engaged in hands-on demonstrations of advanced technologies such as 3D printers, 3D scanners, PCB prototyping machines, CNC machines and laser cutting equipment.

The visit offered students a unique opportunity to interact with innovation professionals and gain practical knowledge about entrepreneurship, technology and startup development. The interactive sessions and laboratory demonstrations inspired participants to explore innovative thinking and consider entrepreneurship as a potential career pathway.
